

ANTHROPIC CERTIFICATION EXAM POLICY

This Anthropic Certification Exam Policy (“**Exam Policy**”) is part of the [Certification Terms and Conditions](#) (the “**Certification Terms**”) that govern your participation in an Anthropic official certification program. Anthropic’s certification program is evolving and subject to change. This Exam Policy was last updated on April 1, 2026.

5. Certification Expiration

AI and our products are fast evolving. Some Courses, Exams, and Certifications may be outdated, obsolete, and some skills and Exams may need to be updated or replaced based on changes in technology and our products. Anthropic reserves the right to retire, update, and replace Courses, Exams, and Certifications, in its discretion. If you passed a practice or beta Exam or an Exam related to a beta product and earned a Certification as a result, your Certification may expire once the final Exam or production product goes live. When a Certification is retired, it will no longer be available for you to earn.

6. Renewals

You need to renew your Certification before the Certification Term expiration date. Once the Certification expires, you will no longer be able to renew that Certification and will need to re-earn the Certification, including by taking the required Courses and passing all required Exams.

7. Accommodation Policy

Anthropic will provide reasonable accommodations for individuals with disabilities in compliance with applicable laws. Requests for accommodation must be made in advance and may require supporting documentation. For more information or to request an accommodation, contact academy-support@anthropic.com, including “accommodation” in the subject line.

8. Access to Program

Anthropic reserves the right to exclude specific regions and countries from the Program at any time in its sole discretion.
