

Certification Exam Registration Guide

This guide walks you through registering for a Claude certification exam, from opening the exam page on the Anthropic Partner Academy through scheduling your exam session with Pearson VUE. The screenshots show the Claude Certified Architect – Foundations exam as an example; the registration process is the same for every Claude certification exam.

Step 1 — Open the exam page

Go to the certification page for your exam on the Anthropic Partner Academy. Each exam has its own page. For Claude Certified Architect – Foundations, go to anthropic-partners.skilljar.com/claude-certified-architect-foundations-certification. The page shows the exam details.

The screenshot shows the exam page for the Claude Certified Architect – Foundations exam. The page features the Anthropic logo, navigation links, and a detailed description of the exam. A table on the right provides key exam details.

Step 3 — Click “Register for the exam” and sign in

Click **Register for the exam** on the exam page. You’ll be taken to the Anthropic partner sign-in page. Enter your company email.

The “Register for the exam” button on the exam page.

The Anthropic partner sign-in page.

Step 4 — Register on the Certification Examination page

After signing in you land on the Certification Examination page. The Register button shows the exam fee along with any discount applied based on your partner tier. Discounts are applied automatically at checkout. Review the “What to expect” summary, then click **Register for the exam**.

What to expect

- 1 Register for the exam**
Complete checkout on this page — partner discounts are applied automatically at checkout.
- 2 Watch for two emails from Pearson VUE**
They come from PearsonVUEConfirmation@e.pearson.com — one with your username and one with a temporary password. They usually arrive shortly after you register; check spam if you don't see them.
- 3 Sign in at Pearson VUE to schedule your exam**
Sign in at pearsonvue.com/us/en/anthropic. You'll be asked to set a new password on first sign-in, then choose online proctoring or a test center. The exam is 60 multiple-choice questions in 120 minutes, delivered by Pearson — not on this site.

Example shown: Claude Certified Architect – Foundations. Fees and discounts vary by partner tier.

Step 5 — Complete checkout

On the order review page, confirm your order details. The price and any discount shown reflect your partner tier, so your total may differ from other candidates'. When everything looks correct, click **Review and Pay** to complete registration.

Step 6 — Confirmation: Welcome and what to expect

You'll land on the "Welcome and what to expect" page. Registration is complete. This page contains your scheduling instructions and links to the exam guide and policies.

• Claude Certified Architect - Foundations

Welcome and what to expect

Thank you for participating in the Claude Certified Architect - Foundations Certification.

The Claude Certified Architect - Foundations certification validates that practitioners can make informed decisions about tradeoffs when implementing real-world solutions with Claude. This exam tests foundational knowledge across Claude Code, the Claude Agent SDK, the Claude API, and Model Context Protocol (MCP) — the core technologies used to build production-grade applications with Claude.

Scheduling your exam with Pearson VUE

The exam is delivered by Pearson VUE — online proctored or at a Pearson test center — not on this site. Now that you have registered, here is what happens next:

- 1 Watch for two emails from Pearson VUE**

They come from PearsonVUEConfirmation@e.pearson.com — one contains your username and the other a temporary password. They usually arrive shortly after registration; check your spam folder if you don't see them.
- 2 Sign in to Pearson VUE**

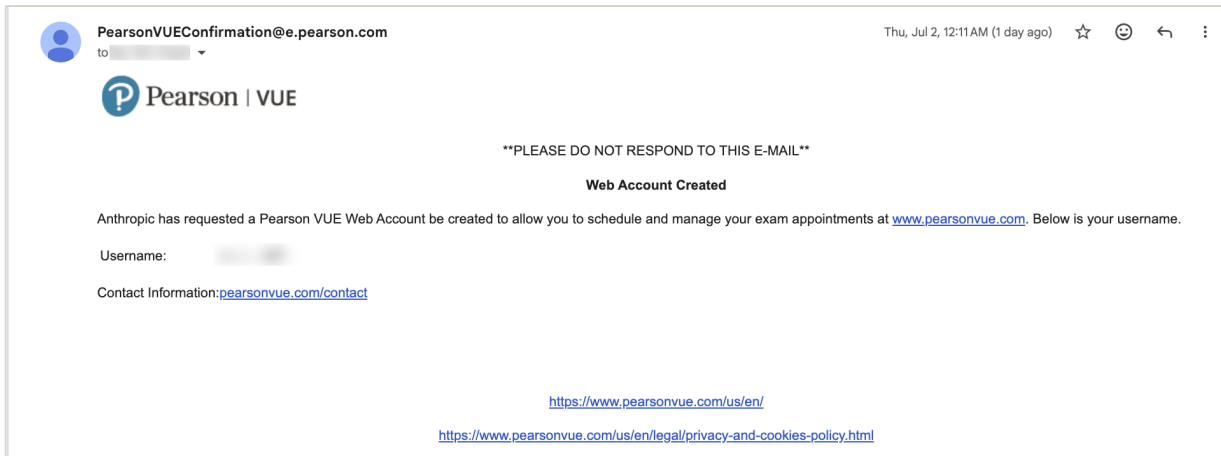

Sign in at pearsonvue.com/us/en/anthropic. You'll be asked to set a new password on your first sign-in.
- 3 Schedule your exam**

Choose online proctoring or a Pearson test center.

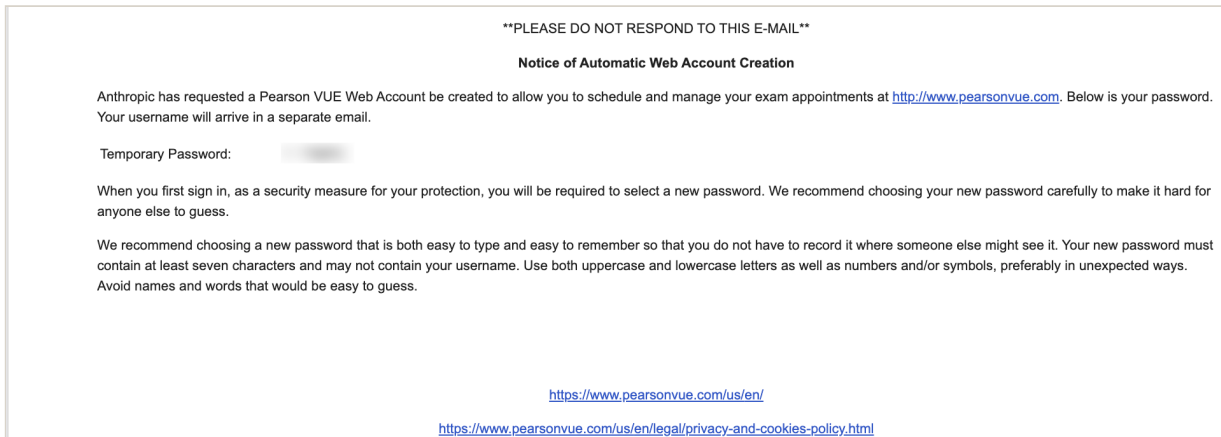

Example shown: Claude Certified Architect – Foundations.

Step 7 — Watch for two emails from Pearson VUE

Pearson VUE sends two emails from PearsonVUEConfirmation@e.pearson.com: one with your username (“Web Account Created”), one with a temporary password (“Notice of Automatic Web Account Creation”). They usually arrive shortly after registration — check your spam folder if you don’t see them.

Email 1: your Pearson VUE username.

Email 2: your temporary password.

Step 8 — Sign in to Pearson VUE

Sign in at pearsonvue.com/us/en/anthropic with the username and temporary password from the two emails. The first time you sign in, Pearson VUE walks you through a short account setup before you reach your dashboard. The exam is delivered by Pearson — not on the Academy site.

Step 9 — Accept the Candidate Agreement

Review Pearson VUE's privacy policy and Candidate Agreement. Check every box, then click **Agree**. You must accept all terms to continue with registration and scheduling.

ANTHROPIC

Pearson VUE privacy policy

By accessing this website and checking the box below you understand and agree to the terms set forth in this Candidate Agreement ("Agreement"). This Agreement is entered into by and between you as a test taker, Pearson VUE, a business of NCS Pearson, Inc., and your testing program owner ("Test Sponsor"). This Agreement represents your understanding and acceptance of Pearson VUE's [Privacy and Cookies Policy](#), including the collection of your data and the monitoring of your entire testing session through the use of CCTV and Pearson VUE's [Terms of Service Policy](#), in conjunction with your acceptance of the policies and procedures as established by the Test Sponsor and our obligations to process your test results.

Data Collection

You agree that for purposes of registering and scheduling your exam on Pearson VUE's website or during your testing process you may be asked to provide your personal information relating to your contact details (name, street address, email address, phone number). In some cases, we may request and process so-called 'special categories of personal information' or 'sensitive data' about you as set forth in our [Privacy and Cookies Policy](#)

Data Processing

You understand and agree that Pearson VUE, as a data processor for your Test Sponsor, the data controller, will collect, use, transfer, process, and store your personal information only for the purposes of handling your registration, scheduling you for a test date and time, administering the test, processing your test results, and other related services, if any, consistent with Pearson VUE's Privacy and Cookies Policy, or, in addition as you have authorized. For more detailed information about Pearson VUE's data collection, processing, transfer, and storage practices, and your rights as a data subject, please go to Pearson VUE's [Privacy and Cookies Policy](#)

Your personal information along with your test results will be provided to your Test Sponsor for the purposes of your Test Sponsor providing certification, licensure, academic admission test scores, and other benefits to you. For more detailed information about your Test Sponsor's policies, please contact your Test Sponsor.

Data Transfer

You agree to the transfer of your personal information by Pearson VUE to its headquarters in the United States, its authorized third parties (described below) and your Test Sponsor who may be located elsewhere in the world. You agree that Pearson VUE may employ other companies or individuals to perform services on our behalf and under Pearson VUE's written instructions, including but not limited to web hosting, payment processing, order processing and fulfillment, marketing and promotions, web analytics, and test delivery at our authorized-third party test centers. Pearson VUE will not transfer your personal information to any third parties who are not acting as Pearson VUE's agents, sub-processors, Test Sponsors, or individuals' providing other services on Pearson VUE's behalf, except as, in addition, you have authorized.

CCTV

You agree that during your entire testing session you may be monitored by CCTV for purposes of validating your compliance with the testing room rules.

Palm Vein Consent

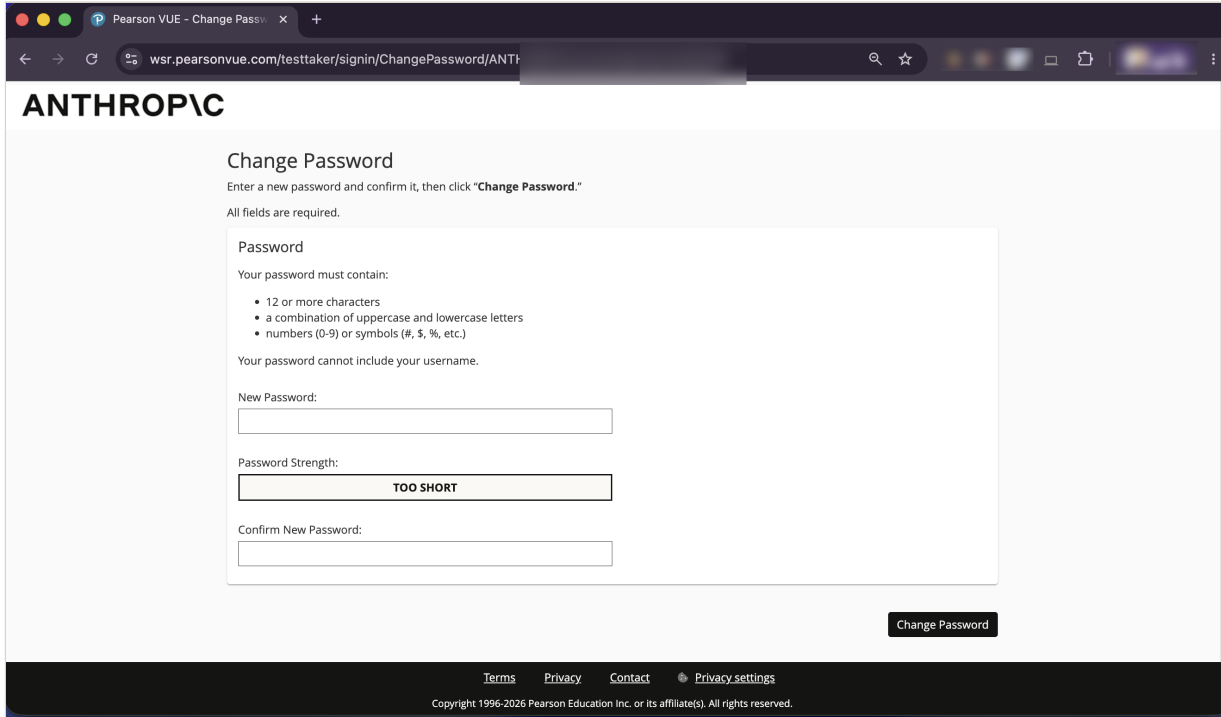

Where selected by your Test Sponsor, you agree that Pearson VUE will collect your palm vein pattern at the test center on the day of your exam and retain that information, to the extent permitted by law. Your palm vein scan will be used for the purposes of identification verification on the day of your test and on your future test days, detecting and preventing any fraud, and maintaining the security and integrity of the testing program. For more information on Pearson VUE's policy for use and retention of personal data including biometric data like palm vein scans, please see our [Privacy and Cookies Policy](#). Your agreement to these Testing policies includes agreement to the [Privacy and Cookies Policy](#).

By clicking the "Agree" button, you acknowledge that you understand, agree, and explicitly consent to the terms contained in this Agreement. If you do not agree to the policies and terms contained in this Agreement and you click "Previous" you will not be able to continue through this website registration and scheduling process and you will need to contact Pearson VUE for assistance.

Step 10 — Set a new password

Enter and confirm a new password, then click **Change Password**. Your password must be 12 or more characters, use a mix of uppercase and lowercase letters, include numbers or symbols, and must not contain your username.

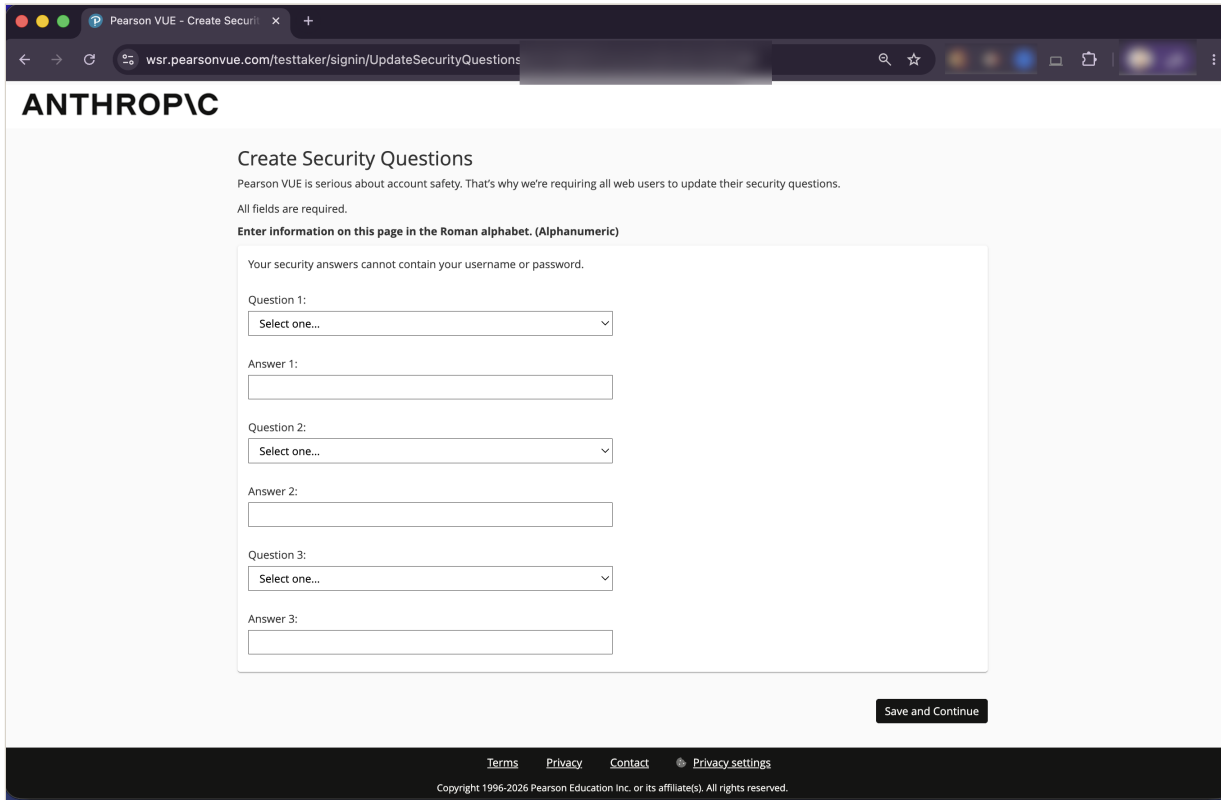

The screenshot shows a web browser window with the URL `wsr.pearsonvue.com/testtaker/signin/ChangePassword/ANTH`. The page title is "ANTHROPIC" and the main heading is "Change Password". Below the heading, there is a sub-heading "Change Password" and a prompt: "Enter a new password and confirm it, then click 'Change Password.'". A note states "All fields are required." The form contains three input fields: "New Password:", "Password Strength:", and "Confirm New Password:". The "Password Strength:" field displays "TOO SHORT". A "Change Password" button is located at the bottom right of the form. The footer includes links for "Terms", "Privacy", "Contact", and "Privacy settings", along with a copyright notice: "Copyright 1996-2026 Pearson Education Inc. or its affiliate(s). Step 12 — Schedule your exam from the dashboard

You'll land on your Pearson VUE dashboard. Under **Schedule an exam**, select your exam from the catalog and follow the prompts to choose online proctoring or a Pearson test center. You can manage your account, view score reports, and see receipts from this page.

Before exam day

On exam day you'll need a valid, unexpired government-issued ID that matches the name on your registration. To correct your name contact certifications-support@anthropic.com before scheduling an exam. Accommodations must be requested and approved by Pearson before you schedule an exam. Request accommodations here: pearsonvue.com/us/en/test-takers/accommodations/pearson_approve.anthropic.html. See the Certification Exam Policy for details.
